**projects &
products
index**

Features

1. profile page (incl. account deletion and work portfolio images)
2. bids by dev
3. ratings by client

The image shows a web form titled "Edit Profile". At the top is a blue line-art icon of a person wearing a headband and a flower, surrounded by small stars. Below the icon is a file upload section with a "Choose file" button and the text "No file chosen". Underneath are three text input fields: "Email" (containing "test+50@gmail.com"), "Name", and "Company name".

lessons learnt

“

1. Github (fork last :)
2. Understanding best way to layout ERDs
3. Stripe (but Jess conquered!)
4. Takes longer than we think

....But it was a lot of fun :)
